Brand new September updates you must see inside and out! Caliber Homes new model is painting the picture of luxury + comfort. Curb appeal accentuated with front stoop details, stone added along foundation, additional landscaping, new double front door and fence showcasing the yard perfect for a pool. Newly staged + updated wet bar + LL arch built ins are a few of the interior changes you must see. Walking in the double front door of your new Caliber home you will notice the cutest reading nook that overlooks the 8.5 acre park. 10' ceilings on main. All the gorgeous Pella windows overlooking backyard + screened in porch. Fabulous custom detail on fireplace & built-ins. Kitchen showcases 9 ft island w/quartz tops, amazing cabinets, hardware, lighting + custom pantry w/ no wire shelving. Office/flex, huge dining area for family meals/holidays. 2nd story w/ 3 bed jackn Jill + 1 bed is...
