Brand new September updates you must see - inside and out! Our Model Home - open exclusively the 1st Sunday of each month - paints the picture of luxury and comfort. Curb appeal accentuated with front stoop details, stone added along foundation, additional landscaping, new double front door and fence showcasing the yard perfect for a pool. Newly staged and an updated wet bar lower level arch built-ins are a few of the interior changes you must see. Walking in the double front door of your new Caliber home you will notice the cutest reading nook that overlooks the 8.5 acre park. You'll find 10' ceilings on the main level and gorgeous Pella windows overlooking the backyard and screened in porch. Fabulous custom details on the fireplace & built-ins. The stunning kitchen showcases a 9 ft island with quartz tops, amazing cabinets, hardware, lighting and a custom pantry. Not...
