This beautiful Caliber Homes 5 bedroom ranch plan offers a thoughtful layout with 3 bedrooms on the main level, two secondary bedrooms split from the primary suite for added privacy and convenience. The main floor features a spacious living room with a fireplace surrounded by a custom-crafted design, creating a warm and inviting atmosphere. Pella windows allow natural light to flow throughout, enhancing the home's open feel. The kitchen is a chef's dream, boasting quartz countertops, a custom hood vent, and a detailed walk-in pantry, all crafted by skilled trim carpenters. Nearby, the mudroom with custom lockers and a drop zone provides an organized entryway off the garage. A convenient main floor laundry room adds functionality. The primary suite offers a private retreat with dual sinks, a custom tile shower, and a walk-in closet. The finished lower level provides even more living space with a wet bar, two additional bedrooms...
